## OH BABY!.....

February 28, 2011 // 0

I've fallen in love with a new product line that is made for babies. It is called **Original Sprout**. All of their products are for Babies and up, organic, vegan, and cruelty-free. They really go the extra mile by eliminating things like lavender, soy, gluten, and more. My fave product in this line is the **Miracle Detangler**. You can use it on wet or dry hair. Not only did it release any tangles resulting in less hair loss to my comb, it is also anti frizz and softening. Their **Scrumptious Baby Cream** is definitely worth giving a try too. Warning, babying yourself may attract a
