I'm not really a product person. I'm not all that into shopping, and I don't spend hours discussing the benefits of one shampoo, dish soap, or other products other than their environmental and toxic load (or hopefully, their lack there of).

But I do love mama owned companies, small green businesses, and any business that makes safe and green products for babies and children.

And oh, did my oldest daughter yell, scream and fuss when we brushed her hair. For. Years. Very loudly. She is 4, and it hasn't been pretty for a

long, long time. That's why you would see her with unbrushed, matted hair, sometimes for days, because at times we just weren't up for the fight (like the first year of our youngest daughter's life!).

I love the California Baby brand, I really do. But their detangler did nothing for my girl's thick and easily knotted hair. I was sent a

sample recently of [Original Sprout's Miracle Detangler](#), and I can assure you, it is aptly named.

When I first coated my girl's hair with this after a bath I prepared for the usual fight: squirming, yelling, and crying. The brush went RIGHT THROUGH her hair, no problem. She didn't cry. In a few calm minutes (for both of us), her hair was brushed, and it smelled great (not overwhelming).

I was literally astounded.

My husband tried it a few days later and was equally thrilled. He said, "Now we can grow their hair long!" because on many occasions, I had considered chopping it all off.

Original Sprout's Miracle Detangler is FREE of:

*hormone disrupters

*parabens

*petroleum oils

*phthalates

*dioxanes

*formaldehyde

*proplene glycol

And it is:

- Soy Free
- Gluten Free
- Cruelty Free
- 100% Vegan
- Biodegradable
- E.U. & Japan Cosmetic Compliant

In addition, it has an added benefit of repelling lice and insects because it contains organic Rosemary and Basil. No bugs on my girl's head!

Seriously, if you dread the post bath brushing of hair the way I did, this may very well end the drama. I for one, am so happy to have found Original Sprout's Miracle Detangler. Happy fast, painless, safe and tear free brushing!

[Original Sprout](#) has a wonderful line of chemical free baby care products.

*Just so you know, dear readers, I am never paid by a company to review a product. I do receive samples to use and review, but I maintain my independent objectivity, no matter what is sent. I am under no obligation to positively review any product, and do not if I don't feel strongly about it.
