Original Sprout gave me the opportunity to try their product line (I was excited!). I always love nice smelling things. Here's some information on Original Sprout.

We are a family-run company located in San Luis Obispo, CA. Our products are out-selling other brands in health food stores and we know you, your kids, and your readers will love them! Once sampled, adults and children are completely hooked. That's why we have a cult following of the who's who in green Hollywood, thousands of children's salons, and mothers who want high-quality, safe products.

Original Sprout's Worry-Free Luxury line is currently available at hundreds of salons, boutiques, and health food stores throughout the US

and Europe, as well as online at www.originalsprout.com.

Tell your readers to use this code FIRST_ORDER_10-U at www.originalsprout.com to get 10% off their first order. **Our regulated, European Directive**

Packaging: They sent me the Miracle Detangler, Natural Shampoo, & Scrumptious Body Lotion.

Appearance: I like it. It's extremely unique. I like how it has "nothing to hide" if you know what I mean compared to others.

Smell: I can't say enough for the smell! It smells FANTASTIC! I fell in love with it.

Overall: I used this on Emma, my 17 month old daughter. Her hair was so lustrous and beautiful after. Here's a picture of her recently. I've been using the Shampoo + Detangler in her hair.

But overall, it's a very good buy.
